

DIRECTIONS TO « DOMAINE DE COURNET HAUT » FROM LIMOGES (approaching from the North East)

**If in doubt, and before getting " in distress ", please
do not hesitate to call us at :(0033) 05 53 28 46 88.**

19 miles south of **Brive**, come off the motorway **A 20** at **Souillac**. Drive into the centre of the city, **direction Cahors** and, then, take on your right the **D703 towards Sarlat**. After **Calviac**, turn off to the left, still on the **D703**, to **Carsac**. At **Carsac**, it crosses the **D704** (Sarlat to the right and Gourdon to the left). This is an awkward crossing, you have to turn right as if going to **Sarlat**, go under a **railway bridge**, turn right and just after left signposted to **Vitrac**. At **Vitrac** turn left towards **Cénac and Gourdon**, cross the river Dordogne at **Cénac** (do not drive up on your left to Domme). Continue through **Cénac** on the **D46**, for 4,5 miles and take on your right the **D60**, direction **Daglan and Fumel**. In **Daglan** carry on that road. As you get into **Saint Pompon**, just at the entrance of the square, turn left on the **D57**, signposted **Besse**. ½ mile further, you will see a road sign indicating “Résidence de Vacances de Cournet Haut” on your right.
